PROFILE

I am a dedicated and motivated Computer Science and Engineering student and an outgoing student with a current CGPA of 3.508. Throughout my academic journey, I have developed a strong interest in teaching, mentoring,and helping others understand technical concepts in a simple and effective way. I am responsible, organized, and comfortable working with others. I also have good communication, teamwork and problem-solving skills. I would be happy to contribute my knowledge and experience as a Teaching Assistant and support students in their academic and laboratory work.
